

**Designer: OYASUMI SCENTS**

White Tea & Lavender is one of Oyasumi Scents' signatures. Although it isn't Asian-inspired, the scent of lavender played a large part in Jacqueline's family. In fact, lavender was the only thing that could help her daughter's suffering of night terrors.

As a result, lavender is often associated with warm and calming thoughts, and Jacqueline wanted this peaceful warmth in a scented candle. As tea is a staple in her family, Jacqueline combined white tea with lavender to create the ultimate relaxing scent. The fragrance of white tea is beautiful and light, while the lavender is calming.

Today, the White Tea & Lavender soy candle is considered Oyasumi Scents' most calming blend.
