

**Designer: THE RUG MAKER**

The Straits Collection is The Rug Maker's contemporary interpretation of Peranakan or Straits Chinese history and culture, inspired by details in the personal effects of its people and their daily activities.

In Peranakan batik designs, most plants are depicted as a floral spray - a fruit or flower-bearing stem or branch - symbolizing posterity. Flowers are significant among the Chinese; especially the lotus, which symbolizes purity as its beautiful blossom grows out of muddy water where it is rooted.
