

**Designer: NOUSAKU**

The Seven Beads Candle holder is made from solid brass. The object was originally designed to be used in a Buddhist ritual setting but also fits perfectly in a home environment.

This item is made using traditional casting techniques handed down for over 400 years in Takaoka, Toyama Prefecture, Japan.

The color representing the beauty of the metal patina is achieved by chemical reaction using a special liquid. A special coloring treatment is applied to each piece resulting in a stunning color that is subtle and unique.
