

Designer: CERAMICATION

The hexagon is Ceramication's signature shape. Due to its stability, this shape is often seen in nature. Honeycombs, molecules, and crystals, each of these are formed using a pattern of perfectly placed hexagons with zero distance in-between.

Products in the Hex series symbolize unity in diversity, a reflection of how unique individuals come together to form relationships, build families, and community.

Dimensions: L7 x W6 x H7 cm
