

**Designer: METEE DECHA**

The Flooded House Plate is inspired by rural village life in Saraburi, Thailand.

Each piece is meticulously molded in clay and hand-painted. The artist introduces and combines traditional painting with screen printing techniques to reveal patterns, details, and motifs that create a sense of complexity and give interesting dimensions to his works.

Dimensions: L27.5 x W27.5 x H3 cm

Primary Material: Ceramics

Primary Color: Blue

Customization: Patterns can be chosen from other artwork by the artist. Please contact cs@vermillionlifestyle.com for more details.

Color of tinted fragments, size, and general shape cannot be customized. Note that each piece is unique. Photography is for reference only.
