"Joy is different from happiness. It's very abstract but joy is something calm, smooth, pure, and spiritual. I wish you all having the feeling of joy running through you like a river that rushes into the ocean, it's never-ending and continuous." - Michelle Lie

Michell Lie's prints are printed on 310gsm Hahnemühle Photo Rag® Bright White cotton art paper, which carries a lightly-defined felt structure, giving each print an incredible depth and three-dimensional appearance. This paper is acid- and lignin-free, creating an age-resistant, museum-quality art piece.

Shades within the black ink are retained in the print to best represent the original artwork and should not be seen as flaws. Watermarks on paper is a sign of premium paper quality.
