

### Designer: IPSE IPSA IPSUM

ipse ipsa ipsum's signature handmade bone and resin inlaid trays are based on Peranakan, or Straits Chinese, motifs that can be found throughout Singapore and Malaysia. These versatile trays can be used singly or, when mounted on the accompanying stands, used as occasional tables. The tripod legs are lightweight and foldable, allowing them to be carried around with ease and tucked away when not in use. The ox bones used are sustainably sourced.
